

# *Season's Greetings*

"Geoscience Exhibition 2025 Kumamoto"  
took place in Kumamoto, southwest Japan.

Its theme was "The Fiery Land, the Watery  
Land, and the Marvels of the Earth."

The featured image presents a bird's-eye  
geological map and a scenic view of Aso  
Volcano, symbolizing Kumamoto's fiery  
landscape.
